Allies Considers Desires Are Measurably Satisfied

AMITY IS APPARENT

Meeting With German Chancellor to Consider Settlement Arranged After Ten Day Session.

San Remo, Italy, April 28.—The Allied Supreme Council has closed its ten day meeting.

Each government taking part considers its aspirations measurably satisfied. The Premiers and Foreign Ministers met in mutual distrust. They part in great personal cordiality and with much more confidence in the future.

The declaration which the Council sent to Germany, in its intentionally harsh form, complies with the French attitude toward a defaulting creditor, while in substance it is an expression of the British policy, making it easier for Germany to pay through the Council's consent to discuss with the chiefs of her government the amount of reparation, and the willingness of the Allies to examine proposals.

A meeting between the Allied representatives and the German Chancellor, Dr. Mueller, will be held at Spa, Belgium, May 25.

In the closing hours the Council passed upon two notes to the American government, one explaining why President Wilson's latest Turkish note could not be followed and the other on the Armenian mandate and boundaries.

A new note to Germany was approved. This declares so soon as Germany reduces her forces in the Ruhr district to the number fixed in the agreement of August 8, the French troops will be withdrawn from the Frankfort area.

The Council adopted the Franco-British declaration with regard to Germany after inserting a clause declaring its readiness to take all measures, even the occupation of additional German territory, if necessary, to assure the carrying out of the Treaty.

INDORSED IN OPPOSITION TO COL. R. F. LEEDY

Representative Thomas W. Harrison has been indorsed for another nomination on the Democratic ticket by three of the ten counties composing the Seventh congressional district. He has been indorsed by county conventions in Shenandoah and Frederick and the county committee in Rockingham, with only one dissenting member, has declared in favor of his candidacy. Supporters of Col. Robert F. Leedy, of Luray, however, are predicting that the veteran fight wide open will win the nomination for their candidate in the August primary. Representative Harrison says, he expects to win by a larger majority than ever before. Col. Leedy declares he will carry at least seven of the ten counties in the district and get the nomination by a substantial majority.

Italy has laws penalizing exaggeration in advertising theatres or circuses.

REAL MEN ONLY

Every day I hear of men being laid off and having to look for a new job. Then they lose a weeks pay finding one and have to pay their way to the place where this new job is located.

Why don't you get a regular job, one that you are sure of? Where? In the United States Marine Corps.

"Oh, yes," you say, "that is too regular a job. You can't quit it even if you want too."

Listen, Buddy. What makes you think you will want to quit it? Are you judging service in the Marine Corps by the kind of a time you had during the war or what some guy told you who couldn't make good? If you are, you are all wrong? There are openings for men in all lines of work in this outfit and if you have no trade we teach you one. We don't guarantee anything. That is up to you. If you are on the job you will get along well. If not you know what to expect It's no bed of roses but it is a good place for a real he man who is willing to his little bit. So much for the duty end of it.

Then there is the other side. Marines go everywhere, see everything, (somtimes get a chance to do things no one but a Marine would ever even think was possible).

We have all kinds of athletics and we excell in them. You learn real soldiering in the Marine Corps and are hailed as an old timer by all who know, if you have a Marine discharge button.

What ever any other outfit can offer, we offer. Service on land sea or sky, at home or abroad.

Come up and see me about it before you look for a new job. I'll tell you straight what we can do for you and can back up my promise.

INCREASE ASKED FOR BY LIGHTING CO.

Alexandria County Lighting Co., Petitions Council For Increase

PRESENT TRAFFIC LAW

Would Limit Fire Apparatus to Twenty-Five Miles an Hour—Drinking Fountain.

Permission was asked of City Council last night by the Alexandria County Lighting Company to increase its rates. The proposed increase will be on a sliding scale and average about one cent per kilowat per hour. The matter was referred to the joint committee on finance and light.

It was set forth in the petition that the present rate has remained unchanged for the past thirteen years while the increased cost of operating and production has been doubled. As a result the company set forth that their profits are wiped out.

Councilman Lawler said it did not look fair to sell the city gas at a reduction and then give the lighting company permission to increase its rate.

Councilman Ruben favored hearing their side and also favored an increase in the price of gas.

A petition was read from the Rosemont Citizens' Association protesting against the erection of a bill board in that subdivision and a delegation of members of the association appeared and E. H. Kemper and Julian T. Burke set forth their objections and asked that action be taken. The matter was referred to the joint committee on general laws and streets.

The street laborers petitioned for an increase of from thirty to forty cents an hour, setting forth that they cannot live on the present wages they receive. This was referred to the joint committee on streets and finance.

Resolution that the city make a temporary loan of $10,000 to make repairs to the city gas plant and also to meet increased expenses for oil and coal was adopted, it being recommnded by the joint committee on finance and light.

Richard Philpot submitted a bid for the removal of ashes and trash from the households. His bid follows: First year, $10,000; second year, $10,200; third year, $10,400; fourth year, $10,600; fifth year, $10,800. This was referred to the joint committee on streets and finance.

A new set of traffic laws were presented and read by Councilman Fletcher and referred to the committee on streets. This committee will confer with the chief of police and fire chief at a meeting Thursday night relative to the laws and report on them at the next meeting of city council.

The law provides for a speed of 18 miles an hour and eight miles at crossings and twenty-five miles beyond residential sections. A speed of twenty-five miles an hour is fixed for the fire apparatus. It is provided that no motor vehicle shall come closer than fifteen feet to a street car when it is taking on or letting off passengers; all vehicles on right have right of way; no dazzling lights are permitted and loud signals also are tabooed. No one under sixteen years old is permitted to drive a car.

Bill of Corporation Attorney H Noel Garner for $254 from June 2, 1918, to December 10, 1919, was referred to the finance committee.

Other matters presented follow: Application of R. L. Myers, Jr., to install boxes on sidewalk in front of 115 North Pitt street referred to street committee; to ask for bids on printing 250 copies of license law and merchants' license taxes, referred; to purchase two car loads of gravel to repair South Washington street from Franklin to Catholic cemetery, streets and finance; J. R. Howard to erect frame building at 217 North Patrick street, street committee; F. Louise Madella to improve house 818 Duke street, referred to street committee; pemission granted W. W. OUR FRIEND, THE CHURCHMAN

Because of inability to get a supply of print paper, the Southern Churchman, official weekly organ of the Virginia Episcopal diocese, has suspended publication in Richmond. It hopes, however, to be able to resume publication at an early date.

The above is the announcement in a dispatch from Richmond yesterday, and it brings to mind reminiscences of the long ago.

The Churchman is the junior of the Gazette by about three score years. It was brought to its birth, we believe, sometime in the forties of the last century, and, as was also the Gazette at that time, published in what was known as "Printers' Alley," on the east side of Fairfax street, the first alley south of King street.

When the office of the Gazette was removed to Prince street that of the Churchman followed. The type were set in the same room for both papers and the same presses were used. Hence a tie was formed between the editors and workmen of both which continued until 1879, when the Churchman was removed to Richmond.

In its early days the Churchman was edited by the late Rev. George A. Smith, and other ministers of the Protestant Episcopal Church, and subsequently the late Rev. D. F. Sprigg, pastor of Grace Church, became its editor and publisher. Shortly after the civil war the late Rev. Philip Slaughter became an associate editor.

The Churchman was an interesting periodical. It contained departments of suitable reading matter for all, although most of its contents were in reference to matters of interest to the Protestant Episcopal Church.

It was a 4 page paper while printed in this city, but shortly after its removal to Richmond its form was changed to that of a quarto. It was long one of our most valued exchanges, and while not having the time at our disposal to read it in its entirety each week, we always managed to study a column known as "Thoughts for the Thoughtful," in which we variably found "meat in due season."

We hope to see the resumption of the publication of the Churchman at an early date.

AN ANNOYING PASTIME

Now that early summer is about to dawn, the practice of playing baseball in the streets is being indulged in, generally by boys, but often by men also. The diversion consists of throwing ball at each other with all the force that can be commanded, and pedestrians are often compelled to dodge balls.

The police stop the diversion when they witness its indulgence, but as soon as the officers move from the scene its resumption generally follows. Four youngsters were brought into Police Court Monday night on the charge of throwing balls in the street. A nominal fine of one dollar was imposed upon the offenders, but they were warned that should they reappear a similar charge the assessment would be five dollars.

Suitable places for playing balls can be found in every neighborhood. The youngsters can resort to such places, and not make ball grounds of the streets. Occasionally somebody is struck by a ball, while window panes are often shattered.

RETURNED TO 'PEN"

Robert Needham, paroled three weeks ago after serving part of a sentence for burglary, scaled the walls of the State Penitentiary at Joliet, Ill., from the outside early yesterday morning and sneaked back into prison because he found himself unable to cope with the high cost of living as a free man. "The only way to beat the high cost of living is to be in prison," said Needham, where asked his reason for returning.

KING ALFONSO

All of Suite Also Penalized for Walking on the Grass

Madrid, April 28.—King Alfonso was fined 2 pesetas Monday for walking across the grass in the gardens of the Alcazar. Every member of his suite who followed the king across the greensward likewise was fined.

The first intimation the royal party had that it had committed an offense was when a guardman approached and said: "Your Majesty, walking on the grass is forbidden. I must fine you, according to my instructions." At first King Alfonso was abashed, then he laughed and paid the money.

Later the mayor of the town called at the palace and apologized, but his majesty told him the guardian had acted properly.

VIRGINIA NEWS

The business section of Orange was threatened by fire yesterday morning which broke out about ten a. m. in the building occupied by the Orange Wheat Farm Co. The flames were confined to the second story. The damage is estimated at $12,000; covered by insurance.

Building operations involving a cost of more than $500,000 are in progress in Harrisonburg. About $150,000 of this amount is being spent for homes. Contractors are being hindered to some extent by difficulties in obtaining material and labor.

There being no opposition, Patrick Henry Drewry was formally elected Representative from the Fourth Virginia district at a special election held yesterday. He expects to take his seat early in May, succeeding the late Walter Watson. He represented the Petersburg district in the Virginia senate for eight years, having resigned recently.

Two members of the faculty of the University of Virginia are appearing at lectures clad in overalls, while several others have announced their intention of joining the students' overall club. President E. A. Alderman has declared himself in accord with the movement.

A memorial tablet commemorating the fiftieth anniversary of the State Capitol disaster of April 27, 1870, when 62 persons lost their lives and 251 were injured as the result of the collapse of the floor of the Virginia supreme court of appeals, was unveiled in Richmond yesterday. State officers and many other citizens attended the ceremonies.

While trying to throw a small white dog into a canal at Danville on Sunday afternoon, John Willard Ingram, aged 7, was himself thrown into the stream and drowned.

The entire faculty of Chatham Episcopal Institute, headed by the principal, Miss Willis, have resigned, effective April 30, as the result of discord between them and the Rev. C. O. Pruden, president, over a lecture on Harriet Beecher Stowe by a Northern speaker, which was recently canceled by Dr. Pruden. The minister held that any eulogy of Mrs. Stowe before Southern girls would be out of place. Miss Willis and the minister are reported to have had a stormy session with the result that the principal resigned, followed by the faculty, composed in part of women graduates from Northern colleges.

The industrial and agricultural branch of the vocational school at Camp Lee, was opened yesterday in Petersburg in presence of 500 visitors, including members of the Petersburg Rotary Club, of which Gen. Omar Bundy, commanding officer at the camp, is an honorary member. Representatives McKinley, of Illinois, and Bundy, of Missouri, were among the speakers.

Six hundred negro Republicans in Richmond yesterday disputed the regularity of the lily white state convention held at Roanoke, constituted themselves as the "regular" convention of the party and elected delegates to the national convention at Chicago.

GLAD TO TESTIFY

Says Watoga Lady, "As to What Cardui Has Done for Me, So As To Help Other."

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town says: "When about 15 years of age, I suffered greatly. Sometimes would go a month or two, and I had terrible headache, backache, and bearing down pains, and would just drag and had no appetite. Then it would last two weeks, and was so weakening, and my health was awful.

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three. I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children. Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others.

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years.

Begin taking Cardui today. It may be the very medicine you need.

They Hit the Spot

D. McMillen, Volunteer Fireman's Home, Hudson, N. Y., writes: "My back pained me so I could not sit down to read or write with comfort; I could not sleep at night for constant pain, and when I walked I was in great misery. I tried several remedies, but none did me any good. After taking 2 bottles Foley Kidney Pills my back and side are completely cured. They are like a stream of water played on a fire by firemen. They hit the spot, put out the fire and drown the pain. They relieve kidney trouble and bladder ailments.

DON'T FUSS WITH MUSTARD PLASTERS!

Musterole Works Without the Blister—Easier, Quicker

There's no sense in mixing a mess of mustard, flour and water when you can easily relieve pain, soreness or stiffness with a little clean, white Musterole.

Musterole is made of pure oil of mustard and other helpful ingredients, combined in the form of the present white ointment. It takes the place of mustard plasters, and will not blister.

Musterole usually gives prompt relief from sore throat, bronchitis, tonsilitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia). 30c and 60c jars; hospital size $2.50.

A TALK WITH AN ALEXANDRIA MAN

Mr. Frank E. Roat, Blacksmith of 107 South Payne Street, Tells His Experience.

There is nothing like a talk with one of our own citizens for giving hope and encouragement to the anxious sufferer from the dread kidney disease. We, therefore, give her an interview with an Alexandria man:

"I had trouble with my back," says Mr. Roat. It was weak and lame and sometimes the pain was pretty bad; I could hardly bend over or straighten up. Mornings my back was so sore it felt like pins and needles when I touched it I also had bad headaches. Nights I had to get up five or six times, and when nothing came I was all tired out. Two years ago with I was advised to use Doan's Kidney Pills. I got Doan's at Lancaster's Drug Store and they instantly reached the spot. My kidneys acted regularly [illegible] my back. Since then I have used Doan's once in a while to keep my kidneys toned up."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Roat had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

FIND OUT JUST WHAT CAUSES YOUR RHEUMATISM

Then You Will Be Able to Treat It Intelligently.

The medical profession has not yet fully determined all of the causes of Rheumatism, though they are pretty well agreed on two points.

The first is, that the disease is more than a mere local trouble, that the pangs of pain come from a source that is far below the surface, and therefore it is not reasonable to expect any rational relief from a treatment that is locally applied and reaches only the surface.

When you realize the logic of this conclusion, you will see that you are really wasting your time and money if you are expecting any permanent relief from the use of liniments, lotions, and other locally applied treatment, which can only reach the surface, and have no effect whatever upon the origin of your trouble.

Any disease should be treated at its source, and especially one that causes as much suffering as Rheumatism. The only treatment worth while is one that will show positive results in getting at the source of the disease, and freeing the victim from its shackles.

The point that the medical profession has agreed upon is that some forms of Rheumatism are caused by a live disease germ in the blood, which multiplies by the million, and until these germs are routed from the blood, you can see how futile local treatment will be. In fact you can use liniments by the gallon and never hope to reach the cause of your trouble.

So many people have found real permanent relief from their Rheumatism by the use of S. S. S. that its use is justified in practically every case. Certainly if your Rheumatism is due to a germ in the blood, as so many thousands of cases are, you should lose no time in beginning the use of S. S. S. because you can rely upon this fine old blood remedy to do you more good than any other treatment.

S. S. S. is beneficial in Rheumatism because it is such a thorough blood medicine. It cleanses the blood of all impurities, and eradicates the germs which cause Rheumatism. The wonderful results it has accomplished in other cases is proof of its great merit. S. S. S. has been on the market for more than fifty years and is sold by all druggists.

Write our medical department for all information and advice about the treatment of your own case, for which no charge is made. Address Chief Medical Adviser, 11 Swift Laboratory, Atlanta, Georgia.

PHONE GIRL MURDERED

Bloodhounds Lead Officers to Front of House Where Girl Was Killed

Pontiac, Mich., April 28.—Alfred Webb, 32, a plasterer, was being held yesterday afternoon pending further investigation of the death of Miss Vera Schneider a telephone supervisor, choked to death early Sunday morning.

Prosecutor Gillespie said yesterday afternoon that whether a direct warrant would be issued for Webb had not been determined.

Webb was questioned at length by the prosecutor yesterday morning. He admitted, according to the officers, that he had been with Miss Schneider Thursday and Friday nights, but asserted he was in Detroit Saturday night. Miss Schneider had been choked to death with a hand kerchief, her body being found on the porch of an unoccupied dwelling.

When a crowd gathered in the alley between the jail and the court house yesterday afternoon Assistant Prosecutor Blakeslee announced that Webb would be taken to Detroit, while the investigation proceeded.

Rewards totalling $2500 have been offered for the arrest and conviction of the slayer. County authorities offered $1,000, Charles Schneider, the girl's father another $1,000, and the Michigan State Telephone Company, her employer, $500.

Bloodhounds were put on the case this forenoon but led officers only as far as the curbing in front of the house where Miss Schneider's body was found. Officers expressed the belief that the girl was drawn to the unoccupied dwelling in an automobile.

GREEKS CLAIM SOFIA

Acting Patriarch Protests Award of Ancient Edifice to Catholic

Constantinople, April 29.—Monsignor Dorothe, acting Greek patriarch, has sent a message to the San Remo conference protesting against the claim he understands the Holy See has made that the church of St. Sofia at Constantinople go to the Catholic Church. He reiterates the contention that the edifice is a Greek Orthodox structure and should be the cathedral of the Greek patriarchate.

The church of St. Sofia was erected as a Christian cathedral in 360 A. D. and rebuilt in 537. It was appropriated by the Turks as a Moslem house of worship and has been the principal mosque of Stamboul.

PLANE BURNS; MAIL IS LOST

Shipment From Washington Destroyed in Crash at Newark Field

Orange, N. J., April 29.—Three hundred pounds of mail was destroyed by fire when a government mail plane, piloted by Wesley L. Smith, bound from Washington to Heller Field, Newark, crashed to the ground and caught fire. The plane was smashed.

Smith was uninjured. The mishap was caused by a heavy fog in which Smith found difficulty navigating. The plane grazed the side of the Orange mountains for some distance before hitting the ground.

Distillation of liquors was in practice in Great Britain in the 16th century.

A Woman Asks:-

"Can I, at my age, 49, suffering from kidney and bladder trouble, burning pains after urinating and pain in my hips, painful swellings for 6 years, be cured by your method? I am a graduate nurse from one of the large Chicago Hospitals, have tried many good doctors, and many drugs and serums with nothing but temporary relief, I am awfully discouraged—

Answer:—This woman was under my care about three months and the cause of her trouble was entirely removed and she grew very strong and healthy, when your brain impulse, like an electric current, is made to pass freely all over your body, to heart, lungs, liver, stomach, kidneys etc., as well as through all your muscles you can not be sick, nature cures you. ORDERED DISSOLVED

Railroad Control of Mining Concerns Must End, is Decision

Philadelphia, April 29.—Complete separation of the Reading Company, the Philadelphia and Reading Railway and the coal companies controlled by the railroad was ordered in a decision handed down by the United States Supreme Court yesterday.

The decision affects various moves made by the Reading during the last 24 years to maintain a centralized control over the great number of properties connected with the system.

The Central Railroad of New Jersey also must dispose of stock ownership in the Lehigh and Wilkes-Barre Coal Company.

Decision by the court was made in the so-called Anthracite Coal Trust case, the court, by a vote of 4 to 3 holding that the Reading Company and its associates constitute a monopoly in the anthracite coal trade, and that the companies violated the "commodities clause" of the Interstate Commerce act.

Although the decision of the court technically was against the company, the stockholders viewed the opinion as having a favorable effect, and the price of the stock of Reading advanced from $78 a share to $90 a share, or nearly 12 points over the closing quotation Saturday.

Financiers estimated that coal properties of the Reading have a value of $70 to $80 for each share of Reading stock. Under the terms of the dissolution order from the court, they estimate that the money received from the sale of the coal properties will be distributed among Reading stockholders.

SUSPENSE ON DRY LAW

Washington, April 29.— The Supreme Court failed again yesterday to hand down a decision on the constitutionality of the Prohibition Amendment and the Enforcement act.

Recess will be taken next Monday by the court until May 17. The final week of arguments on pending cases started today. After the two week's recess, final adjournment for the summer will be taken early in June.
